Next Chapter

Online Book Reading Platform

29.11.2025

Alterations since initial specification

- ***Dropped User Stories/Features***

- Managing authors and publishers : Decided to focus on reader specifics.

- ***Newly Added User Stories/Features***

- Dictionary meaning search
- Export statistics
- Frequently asked Question
- Message/Contact to admin for help

- ***Still working on***

- Deploying Backend AI for chatbot & Image generation.
- Delete highlights.
- Subscription should trigger change in admin revenue and user profile.
- Out of genre recommendations
- Personalised recommendations based on reading history
- Bulk upload working on deploying Backend

- ***Planned for future extensions***

- AI summary
- Adding pro/premium exclusive features
- Email notifications
- Apple login
- Subscription history
- Delete account
